Dear Amy,

We will like to express our heartfelt appreciation to your high professionalism and committed services to us.

Relocation of an office, even in the best of times, is proven to be filled with anxiety and uncertainty. In today's market, it's doubly so.

You were positive and supportive throughout. You steered us through each step with cool professionalism and you had always kept in constant communication. Most of all, your knowledge of the office lease market is enormous, and we were the beneficiary of that knowledge.

In particular, your advice in matters of proposition paid off handsomely. Not only did we secure the rental lease of our choice, but the final asking rental was close to our budget price.

Thank you again. I am sure your future clients will be as equally satisfied as we have been.

Yours truly,  
for/on behalf of
